ENTRANCE, LOOKING WEST

Fort Wayne Bible College has made great strides in terms of training and depth of spiritual life. More than that, it has also maintained an active building and modernization program which assures growth and development.

**VIEW OF EARLY BUILDINGS
of Fort Wayne Bible College**

To the right, Shute Hall, constructed in 1904; to the left, Bethany
Hall, constructed in 1929-30.

In this, the 1951 edition of *The Light Tower*, we have attempted to show how Fort Wayne Bible College is fulfilling the command of Jesus Christ to proclaim the Gospel message until He comes. It comes to you with the prayer that it will be a source of inspiration and challenge now, and in the years to come as the Lord tarries.

The scene of many delightful hours in the classroom, practice room, dining hall, and chapel. The chapel . . . the place where many young lives were transformed by the power of God into stalwart soldiers of the cross; the place of prayer and praise where the retreat from studies became a reservoir of strength, preparing young hearts for resolute service.

SHULTZ HALL

The first building erected on the campus has been home for hundreds of young men down through the years. Within these walls has developed that strength of character, that warm Christian love and devotion to Christ which alone is capable of making an impact upon society.

Providence Hall is one of the girls' dormitories and is capable of housing sixty girls. Constructed in 1945, it has been the scene of much activity, from birthday parties to weekly prayer meetings.

BETHANY HALL

Bethany Hall, second oldest building on the campus, serves a two-fold purpose. It houses the administration offices and is home to some thirty-two young ladies. Its clean, bright looking interior is always a source of cheer and warmth to visitors and friends as well as students.

Residence Hall is the newest building on the campus. Completed in 1949, it has been home for the faculty and their families.

Dedication

The situation in the world today can only be termed as critical. Time is running out; the night is far spent. The opportunities for the spreading of the Gospel are ebbing away faster than any of us realize. Millions are being swallowed by a system of totalitarianism that would engulf the globe.

This emergency demands the best that Christian young men and women possess. It is an hour that demands action. To this tremendous task of Reaching the Unreached while it is yet day, this, the 1951 Light Tower is Prayerfully Dedicated.

"Reaching the Unreached"

"... the fields... are
white already unto
harvest..."

For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon Him. For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on Him in whom they have not believed? and how shall they believe in Him of whom they have not heard? and how shall they hear without a preacher? and how shall they preach except they be sent?

Romans 10:12-15.

Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look unto the fields; for they are white already unto harvest.

John 4:35.

We trust that you who remain at the College will continue to go deeper with the Lord and in the near future join us in the field of service. May we all determine to do our best in 'Reaching the Unreached' for Christ."

High Tower

The Senior class is greatly indebted to Mother Ramseyer for her ministry of intercession on our behalf. Her loving embrace and motherly concern has endeared her to the entire student body.

In years past a faithful attendant at chapel, Mother Ramseyer has been unable to be with us the greater part of this year because of illness. However, she is able to enjoy the services through an inter-com system from the chapel to her home across the boulevard.

Her patient, hopeful trust in God has inspired us to live closer to the Master and to faithfully labor in His vineyard.

MIXED ENSEMBLE

Dick Gerig

Radio presents the greatest medium for the propagation of the Gospel that the Church has ever known. With over 86,000,000 radio sets in the United States alone, Christian broadcasters can reach more people in one day than our Lord reached in three years of earthly ministry.

Concerning the future of radio as it relates to the college, Dick Gerig, director of radio, states, "The Lord willing, we shall use every opportunity that is ours in radio to extend the Christian message and to promote the ministry of the college . . . through effectively prepared programs with as wide a coverage as possible."

MEN'S ENSEMBLE

"Sunrise Chapel," the primary radio outlet for the college, is a morning devotional program broadcast over two radio stations. Listeners each morning are greeted with the friendly words of Announcer Bill Pannell. The program features the hymns of the Chapel Singers, directed by Gerald Gerig, together with soloists, trios, and quartets. The melodic accompaniments of June Swaback at the organ, Kathleen Gerig at the piano, and Paul van Gorkom at the vibraharp, provide smooth background for the program. In the control room, Dave van Gorkom engineers the broadcast, along with Mr. Gerig, who produces the program.

The meditations of Dr. Witmer form an important part of each program and bring comfort and blessing to listeners over a wide area.

Child Evangelism Teachers

To save a child is to save a life. With this conviction on their hearts, the teachers of the many child evangelism classes go to their respective groups sowing the seed of the Gospel in the hearts of America's precious children.

Children's work is a vital and integral part of the college curriculum and is designed to provide for the student-teacher a practical outlet for his training, as well as an opportunity to reach youngsters with the Gospel.

Sunday School Teachers

To alleviate the existing crisis in the rural areas of our country, some of our men have taken on responsibilities of pastoring a church on the week-ends. Combining baby sitting and sermonizing with church history, these men are finding that the minister leads quite a "cosmopolitan" life.

The Student Council

The Student Council has done a very commendable job this year. To assist in providing a full-orbed program of extra-curricular activities designed to develop the physical, mental, social and spiritual life of the students, and to inspire loyalty to the school and to the principles for which it stands were some of the responsibilities of the group this year.

Elected in May, 1950, Wes Gerig proved to be an earnest and capable leader. He received ample support from Vice-President Ralph Ogden and the representatives from the various dormitories.

First Semester Officers

Second Semester Officers

It is the function of the Mission Band to keep Foreign Missions before the student body. This is accomplished through special Friday evening services which feature returned missionaries from around the globe.

Perhaps the greatest ministry of the Band, however, is that of intercessory prayer. Daily at the five o'clock prayer meetings, specific prayer requests are recognized and lifted in prayer to the Throne of Grace.

The Mission Band is supporting two missionaries both by prayer and finances. They are Mr. Joseph Shisler, Sierra Leone, Africa; and Miss Florence Cavender, Colombia, South America. May the Lord continue to bless this organization and lead it on to greater accomplishments.

THE EDITORIAL STAFF

"Two o'clock already?" "Yes, but we've only two more pages to go." These were common expressions of those industrious students who spent many long hours on our newspaper, the CAMPUS ECHO. Piloted by Budd Gauger and Dave Zimmerman, the staff produced a comprehensive coverage of college activities and did much to promote real school spirit.

Late hours, baggy eyes, hypo stains, banging typewriters, hurried appointments, and Emily's query, "How many subscriptions do we have?" — all these were contributing factors in the production of our yearbook, THE LIGHT TOWER. However, it was a joy to work on the book, and the staff is thankful to God for His strength which was continually extended.

Answering Critical Dental Needs

Dr. W. G. Lewis

Did you ever pray and then feel led to answer your own prayer? This was the experience of Mr. W. G. Lewis on his return from the field of Africa. Seeing first-hand the critical dental needs of the missionaries, he began to pray that God would send someone to minister to these needs. No one was forthcoming, and the owner of the large chicken hatchery in Lincoln, Nebraska, felt the urge to go himself. He paid his own expenses and for months he labored in Africa caring for the teeth of the missionaries.

To extend this ministry, Dr. Lewis is training missionaries and candidates for this work. Organizing his school at Fort Wayne this year, Mr. Lewis has trained seven of the Lord's servants for this much-needed work. Their presence on the campus has been an inspiration to all, and their work has helped many students in a tangible way. This work is vital and is greatly extending the scope and effectiveness of those who are Reaching the Unreached.

Dr. William F. McConn

The 1951 Youth Conference, led by Leonard Paquay, was highly successful. Stirring music, sincere testimonies, and challenging messages from Dr. William McConn, prexy of Marion College, characterized the week-end of blessing.

An annual affair, the Conference gave evidence of careful planning and excellent co-operation from the various committees and vocal groups.

Musicians Ralph Ogden, Kathy Gerig, Paul van Gorkom, and Roy Tobin; and Secretary Rosemarie Hudson.

The A Cappella Choir

The A Cappella Choir made a very successful tour of the midwestern states which saw souls saved and believers strengthened in the faith.

Directed by Professor Oliver Steiner, the Messiah Chorus sang to a jammed auditorium December 10.

The Ministry of Music --- The Universal Language

Fort Wayne Bible College School of Music has done much to cultivate an appreciation for truly fine music. This department sponsored several fine student recitals which were truly edifying in their presentation.

One of the finest recitals this year was the one presented November 1 by Mr. Elton Roth, song writer and former director of the Ecclesia Choir. The noted author of "In My Heart There Rings a Melody" greatly blessed the audience by his humble testimony of God's grace.

*Training for
Service and Service in Training*

Fort Wayne Bible College

deserves and needs the support of Christian people. Because most liberal arts colleges and universities have become secular, a vacuum has been created in the field of higher education. To meet the need for colleges that stress spiritual values and which are loyal to the Christian faith, the Bible College has come into being. Education that strengthens faith and equips for service is vitally needed in this period of crisis.

Fort Wayne Bible College invites friends, parents, and alumni to share in the responsibility of providing this kind of education for Christian youth. By making a yearly contribution of ten dollars or more, you may become a member of the Patrons' Council—a growing fellowship of Christian friends who are backing the school with their gifts and prayers.
